TPRIESSMAR—THE GREAT EUROPEAN DISCOVERY*
Protected by Royal Latters Parant of England, and secured by the seals of the Ecole de Pharmasie de Paris and the imperial College of Medicine, Vennatary, and the deserging on the constitution would not become impaired, even in the decline of sife, if the Triessmar were universally alopted all physical impediments vanish like magic before its influence, thus rendering its use invaluable to those on terring the marriage state. Triessmar, No. 2, completely and entirely eradicates all traces of those disorders which copaiba and cube he have so long been thought as antidote for, to the ruin of the health of a vast parton of the population. Triessmar, No. 3, is the great European remedy for that class of disorders which, unfortunately, the Anglish physician treats with mercury, to the inevitable destruction of the patient's constitution, and which all the sareasparills in the world cannot ramove. Triessmar, No. 1, 2 and 3, are alike devoid of tasts or smell, and of all nauseating qualities. They may lay on the toilet table without their use being suspected. Sold in tin cases, at \$8 each, divided tuto separate doses, as administrate by Valpeau, Lallemand, Roux, &c. To be had, wholesale and retail, of Mr. H. A. BARROW, 31 Greene street, near Canal, N. Y., especially appointed by the proprietor and patentee as agent for the United States, and every other part of America. Immediately on receiving a remittence, Mr. Barrow will forward the Triessmar to any part of the world, security packed, and addressed according to the instruction of the writer. Retail agents required. Terms cash.

only orridals cure knews. In not be deserved. A is the
only remedy that will not disappoint. Outle original,
without morency or mineral poinces. No one ever tried
the Unfortunate's Friend but expressed his admiration
of its effect—equally pleasant as subtary. Many are
carred by one done. Office Ganal street, one foor east of
Breedway. Preday.

THE GREATEST WEDICAL DINCOVERY OF THE age.—HR EENNEDY, or Readers, has discovered as all var seem mer passars works a remedy that enter ever pint of hame, from the works service days that enter ever pints.

It was been tried it in ever 1 100 cases, and average thick, assessed to care-both bandeed some. He has see in the presentation ever two headers over the headers of the virtues, all within twenty miles of fluctured to care in surging over mosts. One to these betties will care the works land of pinesses the face.

Two heaties are warranted to care the worst made of pinesses the face.

Two heaties are warranted to care the worst casher in the face.

Two heaties are warranted to care the worst casher in the face.

The heaties are warranted to care the worst casher in the face, the face that the pitties are warranted to care the later.

Pringworm.
The to three bestles are warranted to care the most tra-train case of phenomenium.
Three to four bestles are warranted to care the said

provise case of phenometries.

Three to four betties are warranted to cure the sail times.

Pive to eight betties will care the ward case of street, and a perfect cure is warranted when the first benefit, and a perfect cure is warranted when the first benefit, and a perfect cure is warranted when the street quantity is being.

Reader, I peddied ever a thousand bestime of this in the visionty of Barton. I know the affects of it is every once, the owner as under till extinguish five, to more will this surname. I perser rold a bootle of it but that sold another, at few a trail if a twary a speak for levell. There are two things there a trail is a trail in a trail in a trail in the property of the street that appear to not surprising—first that type govern to ten pastrone. In some dispose quite describe, and yet, six value, that the contract to the vide of the street, and yet, at a role that it should one of the dispose called fearer role of the standard to the first the street, and the street of the standard to the street, and the street of the standard to the street, and the street of the street of the street of the street, and the street of the street
